<b>150</b> Fixed partial denture restorations delivered	<b>20</b> Maxillofacial prosthetic rehabilitations completed	<b>5</b> Scientific papers and posters presented at conferences

## ACADEMIC & PROFESSIONAL ACHIEVEMENTS

- 🏆 Awarded Gold Medal for academic excellence in postgraduate Prosthodontics
- 🏆 Graduated with distinction at the postgraduate level
- 🏆 Tata Scholarship recipient during the first three years of BDS
- 🏆 Served as NSS Head in the third year of BDS

## EDUCATION

### MDS (Master of Dental Surgery) - Gold Medalist

Amrita School of Dentistry, Kochi

November 2022 - November 2025 | Kochi, India

Completed structured postgraduate training with extensive clinical exposure to fixed, removable, implant, and maxillofacial prosthodontics. Training included full-mouth rehabilitation, implant prosthodontics, occlusal analysis, esthetic dentistry, and the integration of digital and evidence-based workflows, alongside academic teaching and research.

### BDS (Bachelor of Dental Surgery) - Tata Scholar

MGM Dental College, Kamothe, Navi-Mumbai

2016 - 2021 | Navi Mumbai, India

Completed Bachelor of Dental Surgery with four years of comprehensive academic training covering foundational and clinical dental sciences, followed by a one-year compulsory rotating internship with hands-on exposure across all major dental specialties.

- ▶ **Clinical Training:** Internship provided practical experience in diagnosis, treatment planning, and delivery of routine dental care under supervision, strengthening clinical confidence and patient management skills

## PROFESSIONAL EXPERIENCE

### Associate Dentist

Dr. Ilyas Patel - PATELDENTAL CLINIC

December 2021 - September 2022 | Navi Mumbai, India

Independently managed PATELDENTAL CLINIC, overseeing comprehensive patient care and routine clinical operations. Handled complete spectrum of dental procedures including prosthodontic treatments, restorative dentistry, and patient case management.

### Associate Dentist

Dr. Munazza Khan - ORACARE DENTAL CLINIC

January 2021 - November 2021 | Navi Mumbai, India

Worked as an associate dentist under the guidance of Dr. Munazza Khan. Performed endodontic procedures (root canal treatments), restorative dentistry, crown and bridge work, complete and partial denture fabrication, extractions, and scaling and polishing.
